

INTERNATIONAL ECONOMIC ALLIANCE

Global Investment Symposium “Pathways to Prosperity”

Harvard Club of New York City
27 West 44th Street
September 24, 2008
From 8:15-6:30pm

Held officially during the UN General Assembly

Country Presentations

Select Heads of State and Ministers attending the UN General Assembly will lead a “Country Presentation” about investment opportunities and the economic environment in their respective countries. Corporations can also be part of the country delegations and presentations. Each Country Presentation will be one-hour long and will include formal presentations and a dialogue with the delegates.

The following countries have reserved places for their Heads of State/Ministers:

Brazil, France, Indonesia, Mexico, Northern Ireland, South Africa, Ukraine, and USA.

This list will be expanded as Heads of State formalize their participation in the 63rd United Nations General Assembly.

Private Meetings & One-on-Ones

After each Country Presentation, private and one-on-one meetings will be held by each presenting country. This will facilitate further dialogue between business, finance and government leaders.

Business Discussions

There will be four series of Business Discussions, each led by a business or thought leader. They will be one hour in length, allowing for in-depth and interactive dialogue with the delegates. The Business Discussions will be held in Harvard Hall, the main-stage room.

Press Conferences

Select Countries and Companies will address International Media in a dedicated Media room. All press conferences will be coordinated with IEA, and scheduled in advance.
